Prescription Drugs	Not Covered
Eligibility	Children are covered to the end of the calendar year in which they turn age 19. Full-time students are covered until the end of the calendar year in which they reach age 25 or until the end of the month during which their full-time student status ends. Handicapped dependents are covered beyond the child removal age, if the handicap occurred prior to the age of 19. Under certain conditions, coverage may be extended for qualified dependents up to age 30.
Pre-Existing Conditions	Employees and Dependents who have continuous coverage under the prior group contract and/or other previous health coverage, with no break in coverage of 63 days or more, will not be subject to the pre-existing condition exclusion. If the exclusion applies, for the first twelve months after an eligible person's enrollment under the contract, no benefits will be provided for services incident to, resulting from, or relating to any disease, injury or condition, which was treated or diagnosed by a health care professional within the six month period prior to enrollment for that person. Note, this does not apply to children who enroll within 30 days of birth or adoption.
Prior Authorization	Some services/procedures require prior authorization. For a complete list, contact our customer service number at 1-800-355-BLUE (2583) or refer to our website at www.HorizonBlue.com .

You can save money when you choose to receive care from providers that participate in the Horizon BCBSNJ networks. When you use participating hospitals or other medical facilities or doctors, you generally only pay your copayment and any applicable in-network coinsurance or deductible. Generally, if you have services performed at an out of network facility or by an out of network provider, your out of network benefits will apply. This means that you will be responsible for amounts exceeding Horizon BCBSNJ's allowable reimbursement for that particular service and this may result in significant out of pocket costs. You will be responsible to pay for this amount directly to the non-participating hospital, ambulatory surgery center or provider. By using our Horizon-BCBSNJ network providers, you keep your health care costs down.

This summary highlights the major features of your health benefit program. It is not a contract and some limitations and exclusions may apply. Payment of benefits is subject solely to the terms of the contract. Please refer to your benefit booklet for more information.
